

# FRASER DOWNS BACKSTRETCH ENTRY

---

ATTENTION ALL MEMBERS:

Great Canadian is requesting that all individuals who are planning to enter the backstretch complete the [Active Screening \(link provided below\)](#) before they come on site. This not only speeds up the process for the members but ensures entry being done in a timely manner for all.

In addition, you will need to show GC security guard the confirmation screen when you come on site so security can verify that it was completed that day.

<https://questionnaire.simplesurvey.com/f/l/3jNQwuTFBE>

For those who have not completed the Active Screening on their devices, you will need to exit your vehicle to verbally complete the active screening with the GC security guard.

If you have already completed the screening on your device, simply show security through the plexiglass barrier on the north side of the guard shack .

Thank you for your cooperation
