President's Message

*M*aking a positive impact on owning a BC Bred Standardbred is the focus of our program. From the breeding farm to the racetrack, Harness Racing BC works to find ways to improve the quality and increase the number of live foals born in BC.

*I*n 2015 we saw our Foal registration numbers rise to 80, a 20% increase over the previous year. In 2016 we have again raised our Foal Incentive Grant to \$1,750, payable, upon foal registration, to the owner of the broodmare at the time of foaling in BC.

We support and promote young horses at the racetrack. The following information offers you a strong BC Bred and Open Stakes Racing Program for a total of \$1,375,000. Our Broodmare Bonus Program allocates \$450,000 to Broodmare Owners who produce winning performers.

*I*n 2015 our program produced such performers as:

Our Goal

- To improve the quality and increase the number of live foals born every year.
- To promote a strong program for young horses through the BC Bred Stakes program.
- To attract new investment and a wider fan base for our racing and our retired horses.

Harness the Passion!
