ATTENTION HORSEMEN

Earlier today, a letter was submitted by Kelly MacMillan, addressed to Ross Sharp, Standardbred Representative on the BC Horse Racing Industry Management Committee addressing the issue of forming a Taskforce of standardbred and thoroughbred representatives to work with Great Canadian to find an alternate solution.

Sometime this afternoon or early tomorrow, this committee will be meeting where as Ross Sharp will be directing the issue of stabling at both track in hopes of finding a favourable solution.

Please note that Harness Racing BC is also working diligently with all of the stake holders involved within our industry. To date, HRBC has been working with Horse Council BC, Equine Canada, Standardbred Canada, and the BC Horse Racing Industry Management Committee.

The moment we receive information we will be sure to advise the membership of the outcome accordingly.

On behalf of the Directors and Staff of HRBC, thank you for your cooperation.
